

Fact Sheet

Overview:

Waste Associates LLC is one of the largest independent waste management companies east of the Mississippi. As owner and operator of state-of-the-art waste management facilities, hauling services, recycling businesses, and biomass processing, Waste Associates is committed to reducing the amount of waste that is disposed of, opting for more extraction methods and sustainable practices in its companies.

Headquartered in Richmond, Virginia, Waste Associates owns and operates:

- East End Resource Recovery, located in Richmond, Virginia. Accepts construction and demolition debris from the Greater Richmond region. Facility recovers, recycles and reuses metals, wood, glass, concrete and other products.
- Skippy's Trucking, a transportation and commodity services business geared to the residential and commercial construction industry.
- East Coast Resources, a waste and loose commodity transportation/logistics provider serving the Mid-Atlantic corridor. ECR is based in Richmond, VA.
